PROFILE

Creative, Passionate and Enthusiast Designer with a talent for developing unique custom network. Innovative approach to idea and concept development. Looking forward to excel in enriching both my creative and technical skill sets and to work with a great team as a user experience learner, using my creative skills in the best possible way to develop complex things into easy and creative ones by embracing new technologies.

English   ● ● ● ● ○   Hindi   ● ● ● ● ○

Assamese   ● ● ● ● ●

CERTIFICATES

- Foundations of User Experience (UX) Design 🔗
- Build Wireframes and Low-Fidelity Prototypes 🔗
- Get Started with Figma 🔗

PROJECTS

To design a Lo-fi prototype of an ordering app for a bakery in your hometown 🔗
Making a low-fidelity prototype of a food ordering app for a bakery in my hometown is the goal of this project. I used UI/UX wireframing, prototyping and the design software Figma to develop this project.

SKILLS

- UI/UX Design
- Basic HTML, CSS, Javascript
- C and C++

INTERESTS AND HOBBIES

Web Development | Game Development | Arduino and Robotics | Photography | Cinema

PROFESSIONAL EXPERIENCE

Sincerely speaking, I have no professional expertise in the UI/UX domain, but I am eager to collaborate with experts in this area. I wish to join GDSC to advance my technical abilities as well as thoroughly research and understand the field. Through my participation in GDSC, I will develop both my knowledge and my social abilities.
